

**Immaculate Heart of Mary School
Acknowledgement Form
2020-2021**

PHOTO RELEASE

Sharing photos and videos of student activities and school events is a wonderful way to show school families and our community the interesting activities and fruitful work that happens at Immaculate Heart of Mary School throughout the year. Images will be shared on social media, included in marketing material, and posted on our website unless a parent opts out. Students are identified by first name only when they earn an award or have a noteworthy accomplishment. To opt out of either photo/video use or having your child's name included for an achievement, contact Mrs. Julie Bacso at jbacso@ihmschoolmd.org within one week of receiving the handbook. We seek to balance the accommodation of photo restrictions while still providing well-deserved recognition of other students in a group setting. Therefore, please understand that disallowing your child to be included in school-related photos/videos means they will be politely asked to step aside when a group photo is taken for external use. This includes students involved in band, choir, drama, service projects, academic competitions, field trips, sports, etc. Photo restriction also impedes our ability to share events via live-streaming. This Release supersedes all other documents and online forms.

STUDENT HANDBOOK

By signing below, I agree to all the above policies, procedures and rules as they pertain to myself, my child(ren), my family and any/all guests of mine.

Questions or concerns regarding this handbook should be addressed through the school office.

Parent(s) First and Last Name (s): (please print)

Child(ren) First and Last Name(s) and Grade(s): (please print)
