### **Personal Devices**

Students are permitted to bring a cell phone to school, but it must be brought to the designated drop-off point immediately upon the student's arrival to school, checked in, and should then be retrieved from this point at dismissal. Parents will fill out a form to indicate whether or not their child will be bringing a cell phone to school. At no time during the school day, or while in the school building, are students allowed to have access to their personal cell phone. Cell phones may not be used during Before and After Care, or during after school clubs and activities. Cell phones are not to be used in the parking lot for safety reasons; however, cell phone use is permissible when the student is in the car. IHM will not be responsible for the theft, damage or loss of such devices. Should parents/guardians need to reach a student during the school day, they should call the school directly, and a message will be handled in a timely manner. Any student using an electronic device during the school day will have the device confiscated, an electronics violation will be given through PBIS, and the parent will have to pick up the device in person from the office at the end of the school day. Because of the distractions that they have caused, disrupting the learning environment, students may not have smart watches or airpods. Students may only use any type of headset at the direction of their teachers.

My student:

- will bring a cell phone to school each day
- will bring a cell phone to school on occasion
- will not bring a cell phone to school
